

Two young girls with long brown hair are sitting at a table, focused on building a LEGO robot. The girl on the left is wearing green-rimmed glasses and is carefully attaching a grey piece to the robot's frame. The girl on the right is smiling at the camera while holding the robot steady. The robot is a complex assembly of black and grey LEGO Technic parts, including a motor and wheels. A printed instruction manual is open on the table in front of them. The background shows a classroom setting with a blue door and some colorful artwork on the wall.

share your
CAN DO
attitude

Can Do Luncheon | April 22, 2020

At Kids Can Community Center,
our mission is to educate,
engage, and inspire
children through
early childhood care
and out-of-school
experiences.

be a **PRESENTING** company

As the PRESENTING SPONSOR, you represent the Can Do spirit in our community. Your organization leads the change to eliminate barriers and seek out innovative solutions to make our community a better place. We honor you for making our community a better place to educate, engage, and inspire children.

at the Capitol District

be a

CAN DO company

The CAN DO awards were created to celebrate individuals and organizations who represent the “can do” attitude in our community. We have previously given CAN DO Future, Junior, Hope, Mentor, and Provider awards. Your organization can choose the theme and honoree such as a CAN DO Volunteer, Entrepreneur, or Achiever. We want to make the honor significant to you!
